CONCERNING ELIGIBLE ROLLOVER DISTRIBUTIONS
AND ELECTION FORM**

PLEASE READ THIS NOTICE AND THEN COMPLETE THE ELECTION FORM.

NAME: _____ SSN: _____

The Plasterer's Union Local No. 66 Supplemental Retirement Benefit Plan provides that you may transfer all or part of an "eligible rollover distribution" directly from the Plan to an eligible employer plan or union pension plan, or an eligible IRA. Under the Supplemental Plan, lump sum distributions (except distributions after age 70½ which are required by law) and installment payments for a period of less than ten years are eligible rollover distributions. If you have received this form, you are about to receive one or more eligible rollover distributions described below. This notice and election form explains the Plan rules for electing to have your distribution(s) rolled over. Please also read the notice entitled "Your Rollover Options."

If you elect to have an eligible distribution rolled over directly, your entire distribution (or the portion you designate, if at least \$500) will be paid to the trustee(s) for the transferee plan, or eligible IRA. If you do not elect to roll your distribution over directly, your distribution will be paid directly to you, less a mandatory 20% withholding of federal income tax, and any optional withholding of state taxes that you elect.

To elect to have your distribution(s) rolled over, you must complete this form and return it to the Administration Office promptly. If you do not return this form to the Administration Office in a timely fashion, you will be deemed to have elected to have your distribution(s) made directly to you. PLEASE NOTE: If you will be receiving a series of eligible rollover distributions, this election will apply to the entire series. However, you are free to change your election for all future distributions by submitting a new election form.

TO BE COMPLETED BY ADMINISTRATION OFFICE:

You are about to receive one or both of the following eligible rollover distribution(s) from the Supplemental Plan:

- a lump sum distribution in the amount of \$_____.
- monthly installment payments of \$_____.
