THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

This notice is required by law to tell you how Delta Dental and its affiliates ("Delta Dental") protect the confidentiality of your health care information in our possession. We must follow the privacy practices that are described in this notice, but also comply with any stricter requirements under federal or state law that may apply to our administration of your benefits. However, we may change this notice and make the new notice effective for all of your PHI that we maintain. If we make any substantive changes to our privacy practices, we will promptly change this notice and redistribute to you within 60 days of the change to our practices. You may also request a copy of this notice anytime by contacting the address or phone number at the end of this notice. Your rights regarding PHI

You have the right to request an inspection of and obtain a copy of your PHI.

You may access your PHI by contacting the appropriate Delta Dental office. You must include (1) your name, address, telephone number and identification number and (2) the PHI you are requesting. Delta Dental may charge a reasonable fee for providing you copies of your PHI. Delta Dental will only maintain that PHI that we obtain or utilize in providing your health care benefits. Most PHI, such as treatment records or X-rays, is returned by Delta Dental to the dentist after we have completed our review of that information. You may need to contact your health care provider to obtain PHI that Delta Dental does not possess.

You may not inspect or copy PHI compiled in reasonable anticipation of, or use in, a civil, criminal, or administrative action or proceeding, or PHI that is otherwise not subject to disclosure under federal or state law. In some circumstances, you may have a right to have this decision reviewed. Please contact the privacy office as noted below if you have questions about access to your PHI.

You have the right to request a restriction of your PHI.

You have the right to ask that we limit how we use and disclose your PHI. We will consider your request but are not legally required to accept it. If we accept your request, we will put any

limits in writing and abide by them except in emergency situations. You may not limit the uses and disclosures that we are legally required or allowed to make.

You have the right to correct or update your PHI.

This means that you may request an amendment of PHI about you for as long as we maintain this information. In certain cases we may deny your request for an amendment. If we deny your request for amendment, you have the right to file a statement of disagreement with us and we may prepare a rebuttal to your statement and will provide you with a copy of any such rebuttal. If your PHI was sent to us by another, we may refer you to that person to amend your PHI. For example, we may refer you to your dentist to amend your treatment chart or to your employer, if applicable, to amend your enrollment information. Please contact the privacy office as noted below if you have questions about amending your PHI.

You have the right to request or receive confidential communications from us by alternative means or at a different address.

We will agree to a reasonable request if you tell us that disclosure of your PHI could endanger you. You may be required to provide us with a statement of possible danger, a different address, another method of contact or information as to how payment will be handled. Please make this request in writing to the privacy office as noted below.

You have the right to receive an accounting of certain disclosures we have made, if any, of your PHI.

This right does not apply to disclosures for purposes of treatment, payment, or health care operations or for information we disclosed after we received a valid authorization from you. Additionally, we do not need to account for disclosures made to you, to family members or friends involved in your care, or for notification purposes. We do not need to account for disclosures made for national security reasons or certain law enforcement purposes, disclosures made as part of a limited data set, incidental disclosures, or disclosures made prior to April 14, 2003. Please contact the privacy office as noted below if you would like to receive an accounting of disclosures or if you have questions about this right.

Step 2: Call Delta Dental

If you are still dissatisfied after speaking with your dentist or have questions about your plan, please call Delta Dental Customer Service for assistance at 800-422-4234. A Customer Service representative can assist you Monday through Friday between 5 a.m. and 6 p.m., Pacific time. - d. Next step: Delta Dental will send you a written determination within 30 days of receipt of your grievance. Submissions involving severe pain and/or imminent and serious threat to your health will be reviewed immediately and responded to within three days of receipt.

Step 4:

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **800-422-4234** and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for an IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number **(1-888-HMO-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The department's Internet website **<http://www.hmohelp.ca.gov>** has complaint forms, IMR application forms and instructions. IMR is generally not applicable to a dental plan, unless that dental plan covers services related to the practice of medicine or is offered pursuant to a contract with a health plan providing medical, surgical or hospital services.

Please keep this notice with your contract or Evidence of Coverage (EOC) booklet.

Organ and Tissue Donation Language

Organ and tissue donation

Donating organs and tissue provides many societal benefits. Organ and tissue donation allows recipients of transplants to go on to lead fuller and more meaningful lives. Currently, the need for organ transplants far exceeds availability. If you are interested in organ donation, please speak with your physician. Organ donation begins at the hospital, when a patient is pronounced brain-dead and identified as a potential organ donor. An organ procurement organization will become involved to coordinate the activities.

Dependent Age Requirements (CA)

Dependent child eligibility change

Dependent eligibility requirements are being modified to include coverage for eligible dependent children up to age 26 regardless of marital, residency or student status or financial dependency. This update will occur on your group's next renewal date following January 1, 2013, unless your employer has already implemented this change in response to health care reform under the Affordable Care Act.

* Some plans have negotiated special eligibility arrangements with Delta Dental to provide for dependent coverage beyond age 26 under certain circumstances. If you are covered under a plan that covers dependent children older than age 26, that age is not changed; however, marital or student status and financial dependency requirements may apply after age 26. If you have questions regarding your group's specific dependent eligibility requirements, check with your plan administrator or human resources department.
