**TO:** Retired Participants - Northern California Plasterers Health and Welfare Fund

**FROM:** Board of Trustees

**DATE:** June 2025

**RE:** Monthly Retiree Self-Pay Changes Effective July 1, 2025

---

In their benefits to you, the Trustees have found it necessary to make changes to the retiree monthly self-pay rates. The monthly self-payment rates will increase starting with July 2025 payment month according to the rates shown on the reverse side of this letter.

## **Payments Through Monthly Pension Deductions:**

If your monthly retiree payments are automatically deducted from your monthly pension benefits, your July 2025 pension benefits will reflect the deductions at the increased rate for September 2025 coverage.

## **Retiree Self-Pay Billing Statements:**

If you are sending a check for your monthly retiree payments directly to this office, your July 2025 Retiree self-pay billing statement will reflect the new rate for September 2025 coverage.

If you have any questions, please contact the Trust Fund Office via email at [plasterersinfo@hsba.com](mailto:plasterersinfo@hsba.com) or call (844) 663-8121.
